

It's Time to Sign Up for Winter Enrichment Classes!

Cedar Mill PTC is now offering enrollment for the spring session enrichment classes. Registration flyers are attached. Please fill out the registration forms and return them as indicated on the forms. Registration should be individually completed with the person or organization offering the class. Some offer online registration and discounts for early registration. Please do not send the registration form to Cedar Mill School. Class information is posted on the Enrichment section of the Cedar Mill PTC website: www.cedarmillptc.org

Scholarships are available for all classes by writing a letter to the school's principal, Brian Horne, prior to the start date of class.

It is extremely important for parents to remind children of their enrichment class and send a note to their teacher each week. Enrichment teachers will not be able to investigate whether a missing child is late, sick or participating in another activity that day.

The enrichment class teachers are responsible for your child from the time they reach the enrichment class until the time they are picked up. Please pick up your child from the classroom where the program is held. **Do not have your child go to the parking lot for pickup.** If required, child care after the end of an enrichment class may be provided for a fee through Student Stop at Cedar Mill, with prior arrangement.

PTC Enrichment Guidelines

- Send registration and payment to the person or group offering the class
- Each week:
 - Remind your children of their enrichment class
 - Send a note to their teacher
 - Pick up your child from the classroom where the program is held
