Foreign language classes at Cedar Mill

Extra-curricular foreign language classes will be offered this year by Kids Like Languages.

Class Objectives Language classes introduce students to foreign languages, improve their language skills, develop an appreciation of other cultures, and begin to prepare students for the foreign language requirement at graduation. Our curriculum fulfills students' needs and responds to parents' requests.

Experienced instructors teach through drama, art, music, games, every-day children situations, and repetition. Most are native to the language and culture. Some are formally trained; all receive Kids Like Languages training. All have experience with groups of children. They keep it lively and fun. Curriculum emphasizes conversation and occasional short homework assignments.

Note: Our instructors are not trained to manage children with learning disabilities.

Class size Minimum of 10 students, maximum of 20.

Getting to class We suggest parents arrange help for kindergartners and first graders getting to class the first week. Their classroom teacher or an older student can walk them.
