

REGISTRATION

TEAMS consist of students in grades 3 - 5 and an adult coach. We recommend teams of (4) students as only (4) students can battle at once. You may have (5) teammates, with (1) acting as an alternate. But no more than (4) students and no less than (2) students may participate in a battle. The final battles will be held Monday, February 25, 2019 after school.

COACHES are an adult who acts as the team coordinator by communicating with the team's parents, facilitating team meetings and preparing the team in whatever way they choose. OBOB organizers will assist coaches by sending emails with suggestions and resources and by coordinating mock battles at school between teams in late January/early February.

Please return this completed form to the library by Monday, November 5, 2018
